## ABOUT COMPANY

In 1998, ERBOS ÇORAP A.Ş. Our company, which took its first step into the hosiery sector, has been in a continuous development and growth trend since its establishment, and has taken its place in the sector by closely following the technological developments and renewing its vision day by day. The production quality of ERBOS ÇORAP is the most important value from our point of view. In order to achieve the quality and to keep the customer satisfaction at the highest level during and after the production; From the planning stage, quality control systems are operated institutionally at every point. For this reason, it has taken its place among the few socks exporters by producing for many big brands in Europe and the world.
