### ABOUT COMPANY

Having over 30 years of experience in the export of socks and hosiery allows us to present you with the design variety, quality and competitive price points just for your appetite. Sourcing the best materials as a textile country with the best workmanship and technology available, combined with innovative design and the latest trends allows us to offer the right collections for your customers. In case you need to be delivered within your country, we are happy to deliver as we can organize the necessary freight and delivery operations. Recently, our expansion in the USA with a new legwear brand, UNLIMITED for men and women will help you to pick up the designs you are looking for.
