

## PRODUCTION

### TRIKOTEK TEKSTIL SAN TIC A.S.

[www.trikotek.com.tr](http://www.trikotek.com.tr)

### ABOUT COMPANY

Trikotek has established in 1994. The company has been operating in th product categories; knitwear, jersey and denim. Each group have one dedicated factory in Turkey. Flat knit and jersey factories are located in Batman, denim is in Malatya. The denim factory has all social and environmental standards. The production set-up is fully sustainable, empowered with zero waste water treatment center and solar panels. As a reference level, we have been working with both wholesale and retail partners such as Lee, Wrangler, VF group (Timberland, Napa Pijri), Superdry, Armani Exchange, Massimo Dutti, Zara Woman, Zara Man, Mango, Nordstrom.
