ABOUT COMPANY

DenimArt was founded in 2015 as a member of KFG-Bema Group who has been in the fashion sector for more than 30 years. The Group has the know-how and experience of several brands like Kanz, Belly Button, Esprit. DenimArt was first started producing denim and non-denim products for the group brands, but we are producing for various private labels and retailers today. Our priority is to provide high satisfaction and continuity for our customers, as being an advantage for fast production and high-quality products. Our way is to prepare special collections, designs for each of our customers with the competitive price range and reliable lead times. We do sustainable washes, organic, recycle products also.
