ABOUT COMPANY

MAY ATKI has been established in 1997, in Istanbul. We do have the versatility of having multiple production lines all together within our own company. We offer boutique production with low MOQ levels with high product and service quality. We produce fast productions for event based promotional products. We keep cotton and acrylic yarns in stock for fast production, we can deliver via air courier options directly to your door. We have the capacity and the know-how for the boutique and bulk orders. With different products offered by us produced under the same roof, it is easier for any customer to match the quality and standards for any given products offered as a kit. You won't be surprised for a color match between a scarf, beanie or socks. We are actively exporting US market for the last 10 years.
